Energy Booster

DESCRIPTION:

Introducing our latest innovation - an energy booster that gives you the endurance you need to power through your day. Our formula contains a carefully curated blend of premium ingredients that work together to deliver a sustained energy boost without the crash.

CAFFEINE AMOUNT: Approx 110 mg

NET WEIGHT: 8.85 oz/251 g

BEST USE WITH:

- **Latte** - supports energy levels and cognitive performance
- **Cappuccino** - supports immune support and energy.
- **Mocha** - supports physical performance.
- **Black Coffee** - antioxidant, cognitive function
- **Happy Burner** - supports happy mood, energy and cognitive function.

KEY BENEFITS:

- Sustainable energy for any environment
- Gives endurance and raises stamina
- Enhances physical performance
- Improves mental focus and clarity
- Easy and accessible to make

HOW TO ENJOY:

For optimal results, mix one (1) scoop of powdered formula with 12 fl oz of water or more to taste. Shake or stir until fully dissolved and enjoy the refreshing pineapple flavor as your body feels an energizing boost. Best enjoyed 20-30 minutes before any physical or mental activity.
